

Summer Camps at KCCC 2020

Ages 6-11 9:00am-11:30am

Week 1 - June 8-12

Young Engineers

The campers will engage in a variety of activities that focus on Science, Technology, Engineering and Math. They will enjoy a daily Lego challenge, basic robotics, real-life design and building skills, and other fun STEM activities.

Week 2 - June 15-19

Outdoor Connections

This camp is great for any outdoor enthusiast. We will be learning about gardening, bug, and animal habitats, starting seeds, and decorating planters! The campers will be building and maintaining a raised garden bed as well as bug hotels, and personal terrariums!

Week 3 - June 22-26

Game Show

This week we will be focusing on the game and puzzle lover! The campers will be encouraged to bring in games from home to challenge their classmates. We will also be doing fun group games such as Pictionary, 100 cup challenge, Name That Tune, Family Feud, Double Dare, Giant Jenga and outside field activities. The students will also be creating their own board game!

Week 4 - June 29-July 3

Sports

It's fun and games all week long! Join us for a sport filled week where campers will be challenged to fun games such as Basketball, Baseball, Soccer, Dodgeball, Capture the Flag, Relay Races, Olympic adventures and other fun games and outdoor activities.

Week 5 - July 6-July10

Little Chefs

Who is ready for a Chopped Challenge? This week we will be exploring food. The students will be using cooking utensils and measuring supplies to bake, create, roast, sauté, fry or blend yummy creations. We will be doing food challenges, apron decorating, fun food experiments and learn about different foods from around the world.

Week 6 - July 13 - July17

Jr. Rangers

The campers will become nature survivalists learning how to read maps, gaps locations, set up tents and learn about survival gear. The Jr. Rangers will enjoy eating survival camp food and spending time outside hiking and exploring. The campers will become nature detectives to identify trees and plants and will be doing nature experiments and crafts. We will have Boy Scout demonstrations from local troop volunteers.

Week 7 - July 20 - July 24

Feel the Beat

Who loves a dance party? We will focus on music from around the world as we explore different musical instruments. The students will perform a talent show on our stage! We will “dance party” through the decades! Don’t forget to dress up!
